# Bath Swing Panel

## Single Hinged

Indulge in a little bit of luxury everyday

Immerse yourself in the luxury of a relaxing bath or the convenience of a shower with the Aqua Style bath swing panel. Even in bathrooms with limited space, a bath swing panel allows you to enjoy the best of both worlds.

The semi-frameless Aqua Style bath swing panel is made from toughened polished glass. A clear choice in ensuring safety and durability, whilst maintaining the clean lines in your bathroom. Intelligently designed for contemporary interiors, the Aqua Style bath swing panel is both stylish and practical.

# Bath Swing Panel

## Single Hinged

Features of the Aqua Style® single hinged bath swing panel.

- Smooth contoured profiles minimise the accumulation of soap and residue to ensure minimal cleaning.
- A clear splash seal, positioned at the bottom of the glass panel, fits snugly into the bath lip and minimises water leakage for a dryer and safer bathroom.
- High quality componentry makes the single hinged Aqua Style bath swing panel a low maintenance solution.
- An attractive 180° pivoting hinge folds completely out of the way for greater flexibility and ease of entry.
- A fully reversible panel makes it versatile for bathroom renovations, as it allows the panel to be installed for left or right hand applications.
- Adjustable wall mount frames assist with out-of-square walls.
