URBAN PLUS AWNING/CASEMENT WINDOW

The Urban Plus Awning and Casement Window incorporates clean, flat sash profiles within a bold outer frame to deliver a modern aesthetic with excellent strength and performance characteristics.

Available as top-hinged or side-hinged configurations to suit your application, the Urban Plus Awning and Casement Window takes a traditional and popular window style and brings it into the 21st century with considered design solutions for screening, operation, drainage and aesthetics. The Urban Plus Awning and Casement Window is an ideal choice for high-end architectural applications.

FEATURES AND BENEFITS

- Accepts double glazing up to 26mm alongside standard single glazing options
- Compatible with the full range of Urban Plus window suites
- Custom designed hardware options
- AGS 300/325 and 400/425 Narrowline compatible for seamless integration
- Awning configurations incorporate an integrated hook hinge at the head for strength
- Optional Caprice side latches to ensure security and performance on large sashes
- Integrated insect and security screening options for a modern, tidy aesthetic
