| <b>PRODUCT BULLETIN No. 215</b> |
| <b>Elegance Return Jamb</b>     |
| <b>Wardrobe</b>                 |

Capral is pleased to introduce the Elegance Return Jamb, in both Double and Triple tracks. These extrusions allow the fabricator to now build a wardrobe with a MDF or plasterboard "return" creating a structural wall to build robe internals off.

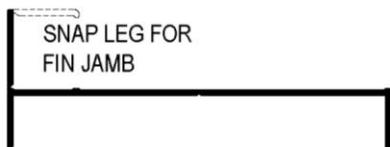

Extrusion No.: EP17406  
Description: Double Track Return Jamb  
Paint Perimeter: 196mm

Extrusion No.: EP17407  
Description: Double Track Return Jamb  
Paint Perimeter: 196mm

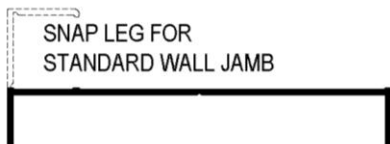

The new Return Jamb's have the following unique features, which allow them to be used as standard robe jamb's, or a legged jamb.

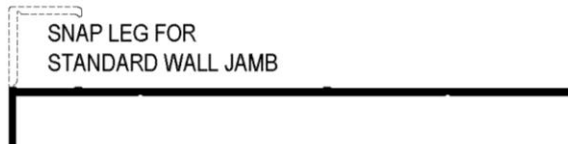

SNAP LEG FOR  
FIN JAMB

SNAP LEG FOR  
FIN JAMB

SNAP LEG FOR  
STANDARD WALL JAMB

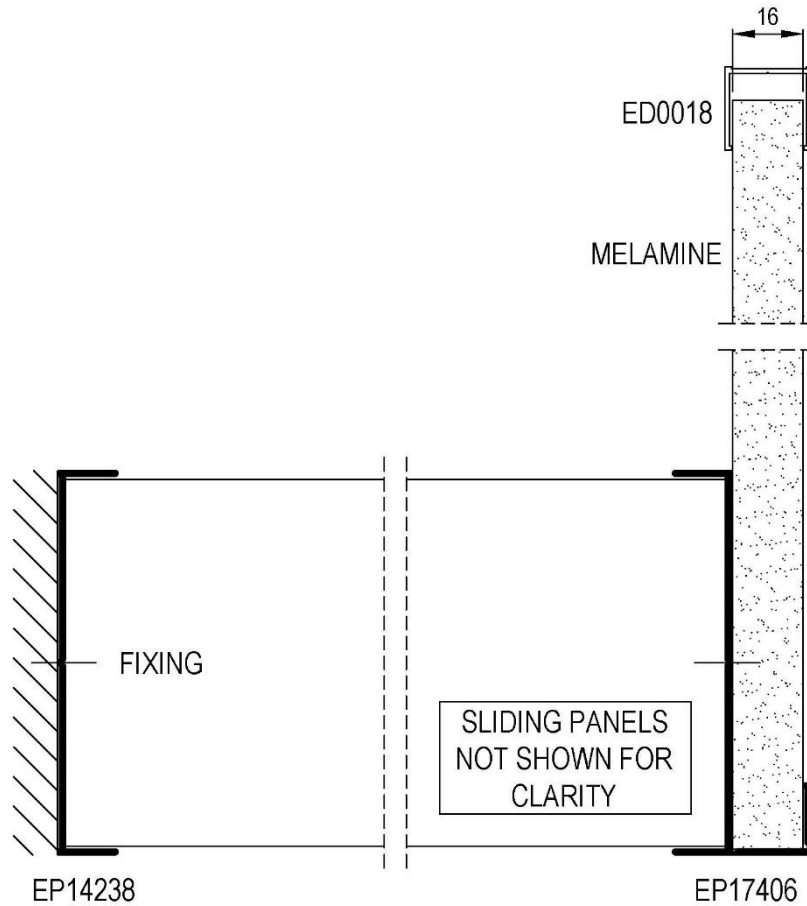

SNAP LEG FOR  
STANDARD WALL JAMB

Double Track Return Jamb

Triple Track Return Jamb

New cutting formulas are required for the return jambs, as the width of the panels change. Please refer to the Elegance technical manual for the details
