

The AGS Range 950 Series Sliding Window

The AGS 950 Series High Performance Sliding Window is a partnership of simplicity and performance. This sliding window offers architectural style coupled with commercial quality and designer hardware to produce a system ideal for a wide range of applications, from commercial buildings and high-rise apartments, through to residential projects.

The AGS 950 Series Sliding Window

The AGS 950 Series Sliding Window system has been developed as a complimentary product to the AGS 900 Series Sliding Door, both providing excellent structural performance. Engineered to deliver high strength, this window has been tested to cyclonic and BAL40 requirements and is capable of large sash sizes and numerous configurations.

Incorporating heavy duty roller hardware, twin point locking and integrated insect screening, the AGS 950 Series Sliding Window is ideally suited to applications where clean, modern aesthetics, high quality functionality and a range of performance options are demanded. Double glazing is also available for improved thermal comfort and performance.

Features and Benefits:
