

The Genesis Range Folding Window

CAPRAL
ALUMINIUM

genesis

Folding Windows are an ideal way of linking your indoor and outdoor entertainment areas so perfect for serving or open plan areas. The Genesis Folding Windows are designed to deliver a premium level of quality, performance and style. This system features high quality hinge and roller hardware combined with Capral's unique EMT™ (Effortless Motion Technology) guide system for smooth and lightweight motion. Seals and hardware also ensure a high level of weather sealing.

The Genesis Folding Window

The Genesis range of windows and doors has been designed to deliver a premium level of quality, performance and style in architectural aluminium design.

The Genesis Folding and Genesis Served window systems feature high quality hinge and roller hardware together with Capral's unique EMT™ guide system to ensure smooth and lightweight motion.

Optional double glazing is also available for improved thermal performance. Use of high quality seals and hardware ensures the Genesis folding window delivers a high level of weather sealing.

Being part of the Genesis family, a full range of matching sliding, awning, double hung and casement windows, sliding, hinged and folding doors are also available to further complement your design.
