

PRODUCT BULLETIN No. 226
Artisan Hardware Consolidation
Commercial - Residential

Due to limited sales Capral has made the decision to remove Silver from the stocked Artisan Bifold hinge and hanger range. The colours Black and Clear Anodised will remain and not be affected.

Capral has significant stock of silver hardware which can continue to be purchased as normal however when stocks are depleted, these will not be replaced. Should there be any future requirements for silver hardware, these will be available as custom powdercoat colours with associated lead times and charges applying.

Materials being discontinued

307799	Artisan – Open Out Handle 1-only Silver
315597	Artisan – Open In Hinge 1-only Silver
315966	Artisan Pivot Set – Silver
315970	Artisan End Hanger – Silver
315974	Artisan Hinge Set - Open Out – Silver
315978	Artisan – Open In Hinge Set Silver
315982	Artisan – Intermediate Hanger Silver

Once all silver stock has been depleted, Capral's technical manuals and estimating packages will reflect this removal.

Kind regards,

Matthew Finnie
