| Product | Urban Sliding Disable Access Ramp |

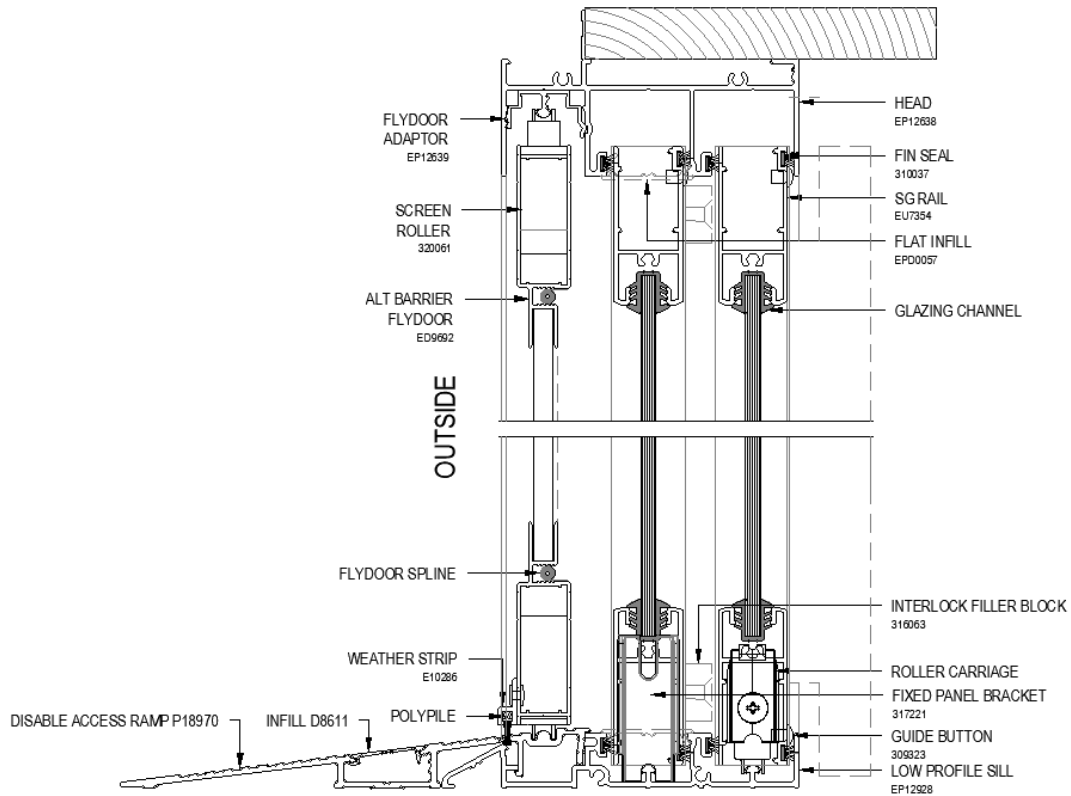

Capral is proud to release a new Urban Sliding Door Disabled Ramp sill and endcaps. The section work with the existing Low-Profile Sill (EP12928) and Infill (ED8611). Making it compliant to AS1428 “Design for access mobility”, proving the finish floor level is flush with the top of the sill on the inside of the building.

With end caps to provide a clean & functional finish.

The product allows for screens doors in the OX, OXXO, or OXO configurations, while maintaining its compliance requirements.
