#### NOTIFICATION Screening Market - 9mm Fly Frame

Date: 05.03.2021

Department Building Systems

Product FLY9 (ep18496)

Capral have released a new 9mm Flyscreen Section **FLY9** (ep18496) which can utilise the same foam spline as our 11mm Flyscreen **FLY11** (ed7677) Making it more fabricator time efficient.

**FLY9** uses corner stake **FLC3** (322099)

Wall Chart of the flyscreens extrusions can be found here: [Wall Chart](#)

This section supersedes and replaces **FLY8** (ed7678) which is currently in run-out across NSW.

**FLY9** FLY FRAME  
22 x 9mm  
EP18496 CNR FLC3

**FLY11** FLY FRAME  
25 x 11mm  
ED7677 CNR FLC2

**FLY9** is now in stock in 19 finishes. This item is mainly stocked in QLD and NSW and being carried at some regional locations for customer requirements.

The section will be added to software and included in future updates to screening manuals.

Regards

*Jack Ryan*
