AGS 619 FLUSHLINE SINGLE GLAZED (150mm)

The AGS 619 Flushline is 150mm single-glazed flush-glazed framing system offering a clean and modern external appearance.

The 150mm frame provides additional strength and a striking internal aesthetic popular on commercial office buildings and multi-story apartments. The forward positioned glazing pocket creates a flush external finish.

The AGS 619 Flushline can incorporate structurally glazed mullion and or transom profiles and offers a number of operable door and window options.

FEATURES AND BENEFITS

- 150x50mm single glazed frame
- Suits most commercial or architectural applications
- Reverse installations possible
- Forward positioned glazing pocket for flush external finish
- Structurally glazed mullion options
- A wide range of compatible AGS window and door suites available
- Spandrel sub frame
- Sub frame options
- Internal and external beaded options

Capral's AGS range is extruded in Australia using LocAl® Green primary aluminium.

- 50% lower-carbon emissions than global averages for primary aluminium
- 8kg CO₂e/kg Al
- ASI Certified Smelter
