CAPRAL AB PIVOT SHOWER

The Capral AB Pivot is a fully-framed shower screen that offers superb strength and durability. A tried and tested shower screen system, adaptable to the modern bathroom yet robust enough to be used in caravans and transportable units. The Capral AB Pivot is fitted with a full-height magnetic strip to provide a positive closing and watertight seal. The clean, uninterrupted expanse of glass makes it less obtrusive, especially with the slim modern frame.

FEATURES AND BENEFITS

- 26mm frame width.
- Fully framed pivot door system with a choice of two handle stiles
- Magnetic close is available on both handle options
- Single panel, two panel and three-panel fronts
- Standard shower configurations include front only and front with 90° and 135° returns
- Return panel types include full height, stepped frame hob and infill over stepped frame hob
- Adjustable corner post option enabling return angles between 90° and 180°
- Glass thickness options include 4mm, 5mm, 6mm and 6.5mm laminated glass
- Purpose designed components to improve performance, function and aesthetics
- Hardware colours include black, white and grey
- Capral AB Pivot shower screen has been proven in the marketplace as tough and robust
